Dear Stan:

The script writer for THE WINDS OF WAR television serial has been felled by a heart attack. I've stepped in as script consultant pro tem, and I suspect May is going to be a pretty busy month for me. Early in June Sarah and I are going to South Africa for a month of safari.

You told me that the CIA lecture series is an ongoing one. If we can move my tentative acceptance to some time in the fall, that may be a lot easier for me to do.

Yours,

Herman Wouk
